

# Introduction to Drones

## BECOME FAMILIAR with DRONES and THEIR POSSIBILITIES

Working with MassDOT, the UMass Transportation Center is offering a 1-day and 2-day drone training event. Topics and discussions will include:

- FAA Regulations that apply to drone users
- The certification process
- Operating limitations of drones in terms of airspace
- FAA Knowledge, Skills, and Requirements for Remote Pilots.
- Proper drone maintenance and programming techniques

### **Classes will be in the Spring of 2023**

There is no cost to attend • Class locations to be determined

**Please fill out a registration form using the link below**
