

## 2026 Northeast Commercial Vehicle Safety Summit: Where Research, Enforcement, and Industry Move Together

*Industry \* Law Enforcement \* State Trucking Associations \* Driver Licensing Agencies \* Government  
Sponsor and Exhibitor Information*

The 2026 Summit will be held at the Hotel Northampton in Massachusetts on Wednesday March 25, 2026 – Thursday March 26, 2026. This is an opportunity to reach new clients in the FMCSA, other federal and state government entities, federal and state trucking associations, law enforcement, state drivers licensing agencies and trucking industries. Over 200 representatives involved in all aspects of commercial motor vehicle safety will be attending our event for the sole purpose of networking and learning about cutting edge tools and strategies. As a result, sponsoring and/or exhibiting at our Summit will provide an exceptional platform for introducing your company to the leaders and innovators of commercial motor vehicle safety.
