

U.S. DOT National Roadway Safety Strategy

October 2022

The Foundation at U.S. DOT: Safety

Mission: To ensure our Nation has the safest, most equitable, reliable, and modern transportation system in the world to increase economic strength, improve climate outcomes, and build global competitiveness for the American people.

Our Vision

Zero is the only acceptable number of deaths on our highways, roads, and streets.

The United States Department of Transportation is committed to taking substantial, comprehensive action to significantly reduce serious and fatal injuries on the Nation's roadways.

At USDOT, we support all efforts to achieve **zero.**

National Roadway Safety Strategy

U.S. DOT's comprehensive approach to significantly reducing serious injuries and deaths on our Nation's highways, roads, and streets.

- ❖ Sets a Department-wide vision and goal
- ❖ Adopts the Safe System Approach
- ❖ Identifies new priority actions and notable changes to existing practices
- ❖ Leverages new funding and policies in the Bipartisan Infrastructure Law to bring this strategy to life
- ❖ Advances equity and climate goals
- ❖ **Calls others to action**

The USDOT adopts the **Safe System Approach**

Principles

- ❖ Deaths and serious injuries are unacceptable
- ❖ Humans make mistakes
- ❖ Humans are vulnerable
- ❖ Responsibility is shared
- ❖ Safety is proactive
- ❖ Redundancy is critical

We have a National Roadway Safety Problem

Fatalities and **fatal crashes occur disproportionately** -
by both population and vehicle travel – **on rural roads**.

We have a National Roadway Safety Problem

Fatalities among **all users** have been increasing.

Fatalities among **pedestrians** and **bicyclists** have been **increasing even faster.**

National Roadway Safety Strategy

- To address roadway safety, we require a holistic, comprehensive approach
- Objectives correspond to the Safe System Approach elements

Safer People
Safer Roads
Safer Vehicles
Safer Speeds
Post-Crash Care

Enhance the survivability of crashes through expedient access to emergency medical care. Create a safe working environment for vital first responders and preventing secondary crashes through robust traffic incident management practices.

Call to Action

Call to Action

The USDOT is committed to reducing serious and fatal injuries on the Nation's roadways, but **no one will reach this goal acting alone.**

It will require collaboration across **all levels of government, sectors, and the American people** to shift our culture towards one that treats **roadway deaths as unacceptable and preventable.**

Call to Action

It will take all of us together to solve this crisis.

Whether it is someone driving, in the passenger seat, walking, biking, or rolling, **our roads are used every day by everyone.**

Now is the time for action, and the USDOT calls **all partners and stakeholders** from all levels of government, industry, non-profit, advocacy, researchers, and the public to take action to solve this crisis.

What will you do? We will be partnering with stakeholders to identify actions to get us closer to zero roadway fatalities.
